## Financial Services Guide

This Financial Services Guide (FSG) is made up of two parts – Part A & Part B and must be read in conjunction.

Our FSG is designed to clarify who we are and what we do, and to help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you;
- how we and our associates are paid and – any other benefits we may receive;
- any potential conflicts of interest we may have;
- how we protect your privacy and handle your personal information; and
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. The Privacy Notification at the end of this document is worthwhile reading as it gives you further clarity on how we handle your personal information. And of course, if you ever have any questions, please contact us.

We collectively refer to the Licensee and its Authorised representatives (including employees of a related body corporate) as 'us', 'our', 'we' throughout this FSG

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the '**Contact us**' section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

What arrangements may influence our advice to you?

Separately Managed Account 'SMA' Disclosure

AAG provides advice on the AAG Capital SMA Portfolio Series, which is a managed portfolio option designed for investors who require professional investment management with the flexibility and transparency of direct asset ownership. AAG do not receive direct remuneration or fees in relation to the management or provision of the AAG SMA portfolios

Evidentia Group Pty Ltd ( ABN 39 626 048 520, AFSL 511802) ('Evidentia') is a boutique asset consultant that works with select private wealth practices to design, build, implement and manage tailored investment portfolios. Evidentia has an investment team with experience across all major asset classes and have been selected as an external portfolio manager to design and manage the composition of the AAG SMA portfolios. They work with AAG investment committee to provide oversight and governance on portfolio management recommendations, including but not limited to recommendations on asset allocation, investment selection and portfolio rebalancing.

The AAG SMAs are available on the following administration platforms as outlined below:

- HUB24 Custodial Services Ltd (ABN 94 073 633 664, AFSL 239122) operates and administrative investment platform through which you can access the AAG SMAs, and is responsible for implementing the investment instructions of the portfolio manager

  - o The investment management fee of 0.1648% covers the cost of operating the managed portfolio, including responsible entity, custody and administration services. The investment management fee is charged by the Administrator and paid to the Responsible Entity and the Portfolio Manager, Custodian and Administrator are paid out of this fee. The Investment management fee is charged as a percentage on the value of the managed portfolio option(s) you are invested in. It is accrued daily and paid from your HUB24 cash account monthly in arrears. For example: if you invested \$100,000 in these portfolios, Ironbark would receive \$164.80 pa. This investment management fee only applies the AAG SMA portfolios that are available on the HUB24 investment platform.
  - o AAG is charged a responsible entity fee of \$50,000 pa. However, if the total investment management fee paid to the Responsible Entity per year exceeds \$50,000, AAG will not be required to pay the responsible entity fee. For example: If \$31,000,000 in total were invested in these portfolios, Ironbark would receive \$51,088 pa, and AAG would not pay the responsible entity fee.
